

# White Port Sundaes

Sipping Port is delicious,  
but have you tried a Port Sundae?!

## Step 1: Collect your items

*We recommend rich French Vanilla Ice Cream, Macadamia Nuts, Marcona Almonds or Pecans, Butterscotch Morsels, and Shortbread Cookies or Graham Crackers*

## Step 2: Prep your Items

*Lightly crush your nuts in a mortar and pestle, or place in a ziploc bag and gently crush with the base of your port bottle.*

## Step 3: Compose your Sundae

*Scoop Ice Cream into your dish, top with crushed nuts and morsels. Drizzle Port over your Sundae. Crumble cookies over top.*

## Step 4: Enjoy!

*Pour yourself a side glass of Port as well and enjoy your tasty treat before it melts!*
