## TASTING NOTES

Delicate aromas of Jasmine and Prickly Pear delight the senses with a hint of white pepper. Followed by an array of flavors, from Lime Zest, Nectarine, and Meyer Lemon to a bit of fresh ginger. A touch of sweetness helps to round out the acidity and creates a rich mouthfeel.

## PAIRING NOTES

With its robust yet delicate flavor profile and minimal sugar this is the perfect BYOB wine. Enjoy on a night out for Thai, Indian, seafood, you name it and this wine will be a great accompaniment, but it just might steal the show!  
**Preferred Dish:** Authentic Tikka Masala

## WINEMAKING NOTES

For this years Riesling in particular, we had fabulous fruit development, higher than we usually see. This is observed in the complexity of flavors and aromatic profile of this fabulous wine!

## VINTAGE NOTES

The 2022 growing season was stellar here at Hawk Haven! Not too often do we see minimal rain, however this year we did. Not to mention it remained dry through the white and red harvest, which is almost unheard of in the coastal area! We saw excellent development in our fruit across the board, because of the high day time temps and low nighttime temps we had high sugar accumulation while still maintaining nice acid structure.
